Dr. Seuss Week!

We have many people that have enjoyed their Dr. Seuss week! From foxes in socks to seeing what places we can go to, it has been an excellent week of reading, rhyming and creating! Seuss-inspired projects line our hallways and many, many smiling faces have been seen as the children work together during this week of celebrating reading. Thank you to all of our guest readers that have read/will read aloud Dr. Seuss books to our Kindergarten through 3rd graders! Tomorrow rounds out this fun-filled week! Sock Hop!

Are you ready to put on your blue suede shoes on Thursday, March 14 from 6:30pm-8:30pm? The PTL will have the FLC set back to the 1950's (with a touch of today's music mixed in) for our all-school dance! There is no doubt that poodle skirts and vests will be adorned for this occasion! And if you don't dress for the decade, come anyway! Light refreshments and snacks will be provided as you dance the night away!

"Put on the new self which in the likeness of God has been created in righteousness and holiness of the truth." Ephesians 4:24

Chapel will be lead by The Singing Saints
on Wednesday, March 13.

From now until March 8, offerings will go to Hearts for Jesus, a ministry of the Ohio District-LCMS that focuses on local outreach!

January "Third" Students

Each week, a segment of "Third" students will be profiled right here! Every child chosen for "Third" student from here on out will eventually make it in this section.

*Leah was a big help at the Tree Lighting in downtown Cuyahoga Falls. We had to move from one location to another and she helped to corral some of our younger students making sure we did not lose anyone. Awesome Job Leah!

*At the end of the game, and regardless of who won or who lost, Lexi went around and gave high-fives to everyone that participated in that game that was played.

*Lily not only applies herself so that she does well in class, but is always willing to help others. Although she has assisted her fellow classmates on multiple occasions, each time with a cheerful attitude, I was particularly impressed recently, when she showed great patience while helping another student--explaining things and persevering, even when it wasn't easy.

PTL Meeting Reminder

The first Tuesday of every month is when PTL meetings are held. They are held at 7:00pm in the FLC conference room. Remember that popcorn during lunch are those same days!
