

7th Grade Summer Reading 2019

Redeemer Christian School

Students entering 7th Grade at Redeemer are required to read the following books over the summer and complete a project. The project is due on the first day of school, and you will be expected to be able to pass the AR tests on both books on the first day of school as well. Expect other types of evaluations on both books early in the school year.

- ❖ Al Capone Does My Shirts – Gennifer Choldenko
- ❖ Hoot – Carl Hiaisen

Choose a creative way to report on one of the two books. There are many great ideas to be found online. The following website is a good place to begin. However, that doesn't mean that everything on this website would be appropriate.

- Your project must reflect at least two hours of successful work, aside from the actual reading of the book.
- It must be visually attractive.
- You must include the main parts of the plot. Also tell about the characters, setting, and theme.
- To receive an A on the project, you must turn in work that is excellent, not just mediocre. The work must be your own; do not copy from any source, and do not have somebody else do the work for you.
