Drop Offs Before 8:25am

For safety reasons, students that are dropped off prior to 8:25am are to go to child watch. Those waiting in the hallway or outside 8:25am will be brought inside.

Please continue to only use the turn around for drop off of children that can let themselves out of the car.

Offering to Date

The thermometer will have to be adjusted again! After collecting yesterday's offering, it was revealed that RCS has brought in \$754.50! Thank you for your continued generosity and let's see how this first quarter plays out in lifting up Lutheran Bible Translators!

Volunteering at RCS

Remember that there are plenty of things that need help to make things work at RCS. Not all of them need to be done during the school day! Please contact the main office, me, your home-room teacher(s) or our PTL to see how you can contribute your time. Thank you for continuing to help make #RCSagreatplacetogrow!

Home Volleyball Helpers Needed

If you have the time, we have the need! Our volleyball home matches are in need of people to run the gate and the concession stand. Please click on the volleyball Signup Genius link found in today's email blast to learn more about how you can help out the volleyball team! Remaining home games are Friday, October 4 and Tuesday, October 8.

2019-2020 School Year Theme

"Humble yourselves, therefore, under the mighty hand of God so that at the proper time he may exalt you..."

1 Peter 5:6

Confirmation Sunday

All are invited to celebrate with the 2018/2019 6th, 7th and 8th graders that completed Redeemer Lutheran Church's confirmation classes. The church service that involves the right of confirmation will be held on Sunday, September 29 at 10am.

Picture Day

Please make sure that you have your orders ready for picture day! Picture day is Tuesday, October 8. Non-uniform tops are allowed with school bottoms. Girls may wear dresses. Non-uniform tops and dresses do need to be within dress code. If in doubt, please don't wear it.

PTL NEWS

Keep an eye out for PTL newsletters! Lots of great things coming your way to celebrate how God is good to our school!

Parent Satisfaction Survey

Please don't forget to fill out the survey that is posted within today's email blast. Redeemer understands that without our families, the school ministry does not exist. For those that took the last survey in the spring of 2017, this one isn't as time consuming but it asks essential questions to see where RCS glows and where RCS can grow.

August Third Students

Each week, you will find examples of Raiders that have put God and others before themselves through their words and actions!

*Chase is always being a great friend to the people beside him and around his table. He loves being a good friend to everyone in our classroom and helps them when they are in need. Chase does these acts of kindness without being asked. A friend in class fell and Chase was the first one to see if his friend was okay! He is a sweet kid who works really hard!

*Ava is a shining example of Christ for all those she encounters. She is consistent in her work, never disruptive to others, follows classroom rules and shows love to her friends whenever they need help. She is kind and loving and gives the best hugs! What a joy it is to see Christ shining in all she does.

*Gavin is always ready to help out in any way he can. He is a great friend and when someone is being left out, he is the first one to talk to them and see if they want to play with him. Gavin works hard in his school work and always has a smile on his face!

*Brynn is cheerful, kind and empathetic. She is always ready to lend a helping hand to anyone and everyone who needs it.

*Aiden is so excited about learning and school. He asks what subject we are studying next and always replies with an enthusiastic "YES!" He's a great listener and always does his best.

*Logan is always asking if anything needs to be done or if he can help with anything. I am thankful for his smile and joy.

*Everyday after dismissal, before leaving the classroom, Alexandra walks around and picks up any trash, paper, and pencils that are still on the floor. She is doing this without being asked simply because she wants the classroom to be left in a clean condition and knowing that it saves someone else's time. She shows Christ's love by serving others.

*Daniel is always looking for a job. He is willing to do just about anything from cleaning to helping a classmate with a difficult concept. Daniel is such a nice combination of a serious student and a fun-loving kid. He lets the light of Jesus shine through him daily.

*Joshua has and continues to display several Christ honoring character traits on a daily basis in the classroom. Josh is attentive in every situation and is available, humble in response and content with any outcome. Josh is kind and respectful to all that he interacts with in the classroom and people know that they can rely on him. It is a joy to watch, teach and interact with him everyday.

*Madeline has stepped up this year to help with other students in band and chorus. When she sees an issue she steps in trying and solve it before it gets to be a problem. (talking, how to play a note, where to sit, putting chairs/stand away) She is also a worship leader for chapel and shows a worshipping heart as she helps to lead our school through chapel. She leads with a servant heart!

*Zackery Voss took the time to help a friend hold the correct form on their pushups!

Our Mission Statement: "To instill in children a foundation and faith in Christ and to assist families as they prepare their children for LIFE - Spiritually, Academically, and Socially."
