

2020 Back to School Night: Tell the Teacher

The transition to a one-on-one meeting for parents/guardians and teachers prior to the school year starting is meant for parents/guardians to share information about their child(ren) with the teacher(s). This interaction is to help start and maintain a positive school year for students, parents/guardians and teachers. Please answer the following questions and bring this sheet to your back to school night meeting with the teacher. Please feel free to attach extra paper to this form to complete your answers. The teacher will collect this sheet at the conclusion of the back to school night meeting. Please fill out one form for each child you have.

Child's name: _____

1) Describe your family dynamics.

2) Describe your child's temperament.

3) What motivates your child?

4) What distresses your child?

5) What concerns do you have that you want the teacher to know?

6) What is the best way to communicate with you?

Please remember to bring this completed form (and any attached papers to help complete your answers) to your back to school night teacher meeting. Please also remember that the teacher will collect this form at the end of the meeting. Thank you for taking the time to share this valuable information with your child's teacher!
